Education

Jyothy Institute Of Technology - VTU

Bachelor of Engineering in Information Science – 9.0 GPA

Nov. 2022 – Present

Bangalore, Karnataka

Experience

IBMSkillsBuild and CSRBOX

Intern | Remote

Jul. 2024 –

Aug. 2024

- Provided exemplary service to guests in a high-end restaurant setting, including recommending wine pairings and making menu suggestions. Developed an interactive chatbot for Equitalk, a platform focused on gender equality and pay parity, using IBM Watsonx Assistant.
- Designed and implemented the chatbot's conversational flows and responses to address user inquiries related to gender equity and salary fairness.
- Integrated the chatbot with the Equitalk website through Wix Studio, enhancing user engagement and providing accessible information on critical topics.

Projects

Smart Recipe Planner | Flask, HTML, CSS, JavaScript, MySQL

- Developed a web application that helps users find recipes based on their available ingredients and dietary preferences.
- Utilized CSS for a responsive design, ensuring seamless adaptability across various screen sizes and devices.
- Integrated user authentication, allowing users to create accounts, log in, and save their favorite recipes.
- Connected the application to a MySQL database to store and manage user profiles, recipes, and ingredient data.

Stock Dashboard | HTML, CSS, JavaScript

- Developed a web application that provides real-time stock market data, visualizations, and analysis tools.
- Utilized CSS for a responsive design, ensuring seamless adaptability across various screen sizes and devices.
- Integrated interactive charts and graphs to help users analyze stock trends and make informed investment decisions.
- Connected the application to financial APIs to fetch real-time stock market data for accurate insights.

Technical Skills

Languages: Python, Java, HTML/CSS, SQL

Developer Tools: VS Code, Eclipse, Anaconda Navigator

Technologies/Frameworks: GitHub, ReactJs, Flask

Certifications

BASICS OF PYTHON, JAVA

WEB DEVELOPMENT

EXPLORING COMPUTERS
